

## CURRICULUM VITAE

### Personal data:

**Name:** CHEN, Zhe-Yu [陈哲宇]

**Place and date of birth:** Qianjiang [潜江] (Hubei, China), 23.11.1998.

**Temporarily address in Australia:** Unit 3, 22 Trentwood Ave, Balwyn North, VIC 3104.

**E-mail:** chenzheyu1998@163.com

**Academic websites:** ResearchGate, Google Scholar

**ORCID:** <https://orcid.org/0000-0002-4150-8906>

### Higher education and employment:

Mar. 2024 – present: Visiting student, Australian Museum Research Institute, Australian Museum, Sydney, Australia. Supervisor: Dr Winston PONDER.

Feb. 2024 – present: PhD candidate, The University of Melbourne, Parkville, Australia.  
Supervisors: A/Prof. Dr Neil YOUNG, Dr Anson KOEHLER, Dr Winston PONDER.

Oct. 2023 – Jan. 2024: Research associate, the Natural History Museum, London, UK. Supervisor: Dr Christopher LAUMER.

Apr. 2023 – Nov. 2023: Lab assistant, Wytham Woods, School of Geography and the Environment, University of Oxford, Oxfordshire, UK. Supervisors: Dr Cecilia DAHLSJÖ, Prof. Dr Yadvinder MALHI.

Oct. 2022 – Oct. 2023: Master of Science student, major in Taxonomy, Biodiversity and Evolution, Imperial College London, jointly with the Natural History Museum, London, UK. Supervisor: Dr Christopher LAUMER.

Jan. 2022 – Aug. 2022: Technical staff, Resource investigation Department, Hubei Broad Nature Technology Service Co., Ltd., Wuhan, China.

June 2021 – present: Associate, Institution of Zoology, Chinese Academy of Science, Beijing, China. Adviser: Kaibaryer MENG.

June 2019 – July 2019; March 2021 – April 2021: Visiting student, School of Life Science, Nanjing University, Nanjing, China. Adviser: Prof. Dr Min WU.

June 2018 – Jan. 2022: Collection manager and Part-time lecturer, Resource investigation Department, Hubei Broad Nature Technology Service Co., Ltd., China.

Sept. 2017 – Dec. 2021: Bachelor of Engineering, major in Food Science and Engineering, Wuhan Polytechnic University, Wuhan, China. Supervisor: Prof. Dr Zhen-Zhou ZHU. (Passed the thesis defence in June, keep in school roll for academic activity until December)

### Language skills:

Chinese: Native language

English: IELTS 7.0

Latin, German: Beginner

### Field of study and interest:

Taxonomy and systematics of land and freshwater snails (Alycaeidae, Camaenidae, Clausiliidae, Diapheridae, Diplommatinidae, Enidae, Lymnaeidae, Pupinidae, Strobilopsidae, etc.)

Parasitology and its relationship with intermediate host (Freshwater Mollusca)

History of Chinese Zoology (Domestic and foreign zoologists who studied Chinese Malacology)

Taxonomy and systematics of soil invertebrates (Thelyphonida, Isopoda, Diplopoda)

Faunistics and zoogeography (East Asia)  
Quaternary and Holocene malacology

**Grants:**

Holsworth Wildlife Research Endowment (2025, given by the Ecological Society of Australia)  
LinnéSys: Systematics Research Fund (2025, given by the Linnean Society of London and the Systematics Association)  
Melbourne Research Scholarship (2024, given by The University of Melbourne)  
Early-Career Research Award / Grant (2023, given by the Malacological Society of London)

**Travel Grants:**

To attend the triennial conference of the Malacological Society of Australasia, (2024, \$1730, given by Malacological Society of Australasia)

**Awards:**

The second prize of the 17th ‘Challenge Cup’ National Undergraduate curricular academic science and technology works, Chengdu, China (2022, mainly given by Ministry of Education of the People's Republic of China and China Association for Science and Technology)  
Tony Whitten Conservation Award (2021, given by Cambridge Conservation Initiative). [Award winners website](#)  
Bachelor students graduated with honours (2021, given by Wuhan Polytechnic University)  
The first prize of the 13th ‘Challenge Cup’ Provincial Undergraduate curricular academic science and technology works of Hubei, Wuhan, China (2021)  
Personal Science and Technology Innovation Award (2020, given by Wuhan Polytechnic University)

**Publications** (accepted or published):

Publications in ISI and SJR (Q1) journals: 32  
Publications in Chinese Core journals & CSSCI: 2  
Publications in other peer-reviewed journals: 9  
Publications in non-peer-reviewed journals: 2  
Book chapter: 2 (in Chinese)

**Citations** (based on Google Scholar):

Total citations: 137  
H-index: 7  
i10-index: 4
